**As a welcoming family of faith, we are called by Christ through prayer,
to share the gifts of who we are and what we have in loving service to all.**

THE LORD STRENGTHENS US

If you drive past a health or fitness club early most mornings, you'll usually see a fair number of cars parked outside. Most likely you'll see more cars parked there than outside the parish church for morning Mass or morning prayer. When the apostle Paul speaks today of the word of the Lord "speed[ing] forward" (2

Thessalonians 3:1) he is making a racing/athletic allusion. This sort of reference is one of the most frequent in his letters. In his world, influenced by Greek culture, the city's gymnasium was a place for athletics, but also for poetry, philosophy and religious and political discourse. It was a place for the body, mind and spirit.

All aspects of our life must be guided by the word of the Lord. We can exercise at the health club for bodily fitness, but ultimately it will be the Lord who will strengthen us. In the same way, it will be the Lord's own strength we must use for our vocation as disciples: to speed the word of the

Lord forward, so that Christ may be known and God glorified through our witness. Paul sums up by telling us what the heart of the disciple will be: directed at all times toward the love of God, and possessing the endurance of Christ.

MUSIC NOTES: WHY MUSIC AT MASS?

Our liturgical celebration is marked with many gestures, symbols and signs to lead us to deeper unity with one another and deeper faith and understanding of our Triune God. Among the many signs and symbols the Church uses to celebrate our faith, music is of pre-eminent importance.

WHAT IS THE FUNCTION OF MUSIC?

Liturgical music is ministerial, it must serve, but never dominate. Music serves to impart a sense of community amongst the assembly, set a particular tone and atmosphere to the celebration and reflect a specific liturgical season. Music is the way we express our relationship with God: Father, Son and Holy Spirit.

Baptisms—Please contact the parish office at 519-524-8174 to make arrangements.

Marriages—Please contact the parish office one year prior to making any arrangements.

ST. MARTIN DE PORRES: SOCIAL JUSTICE

Development and Peace members campaigned in 2004-05 for public control of municipal water systems in the Global South. The privatization of these systems has been discredited. Yet the privatization of water continues in other forms. Bottled water companies are a growing threat to the water sources of rural communities in the Global South. Life depends on water, yet it is estimated that by 2025 1.8 billion people will suffer from water scarcity? Is this just? Take Action!! Development and Peace is asking you to promote access to safe drinking water for everyone. Next week, you will be asked to sign a pledge for a 'Bottled Water Free Zone'. Read the enclosed pamphlet to find out more.

ST. ANNE'S C.S.S. NEW

Already another month has passed! Monday was a great start to the month with students bringing nearly 5 000 non-perishable items in following Hallowe'en For Hunger. These items will be donated to the food banks in Goderich, Seaforth and Zurich to help fill their shelves. We also had a very successful open house that night with many prospective students testing the school's atmosphere. The week continued with several successful sport expeditions and it ended on a high note for the students: a day off! This coming week we celebrate Remembrance Day and we will hold an assembly on Wednesday to commemorate Canada's brave individuals, soldiers and war efforts. All are welcome to come this morning. On the 11th, Student Cabinet will attend the ceremony at the cenotaph in Clinton while the remaining students and staff pause and remember at school. We also celebrate midterm this week marking the middle of the semester; a quarter of the year has already passed! Never forgetful of what our soldiers have done. Nick and Cassidy.

*****STEWARDSHIP REFLECTION*****

Sunday, Nov. 7th: 32nd Sunday in Ordinary Time

Today's readings speak of what we profess to believe ... "in the resurrection of the body and life everlasting". We spend a lifetime accumulating wealth, and it is all a gift from God. We all desire to be judged as having been good stewards in life; yet we have an opportunity to be good stewards not just in life, but in death as well, by how we choose to distribute the assets we accumulate during our lifetime. In death we have an opportunity to leave a legacy for our family members, for the church and for other charities. What expression of everlasting gratitude will you leave?
